42. Entire Contract:

This contract contains all the terms and conditions agreed upon by the Parties. No oral agreements or representations shall be valid or binding upon the Agency or the Contractor unless expressly contained herein or by a written amendment to this contract signed by both Parties.

43. Force Majeure:

The Parties will not be liable for any delays or failures in performance due to circumstances beyond their control, provided the party experiencing the force majeure condition provides immediate written notification to the other party and takes all reasonable efforts to cure the condition.

44. Severability Clause:

The Parties agree that if a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision and shall remain in full force and effect.

45. Condition Precedent to Contract Appropriations:

The Parties agree that the Agency's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

46. Addition/Deletion:

The Parties agree that the Agency reserves the right to add or to delete any of the services required under this contract when deemed to be in the State of Florida's best interest and reduced to a written amendment signed by both Parties. The Parties shall negotiate compensation for any additional services added.

47. Waiver:

The delay or failure by the Agency to exercise or enforce any of its rights under this contract will not constitute or be deemed a waiver of the Agency's right thereafter to enforce those rights, nor will any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

48. Compliance:

The Contractor shall abide by all applicable current federal statutes, laws, rules, and regulations as well as applicable current state statutes, laws, rules and regulations. The Parties agree that failure of the Contractor to abide by these laws shall be deemed an event of default of the Contractor and subject the contract to immediate unilateral cancellation of the contract at the discretion of the Agency.

49. Final Invoice:

The Contractor shall submit the final invoice for payment to the Agency no later than thirty (30) days after the contract ending date unless otherwise specified in Attachment I. If the Contractor fails to do so, all right to payment is forfeited and the Agency shall not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract shall be withheld until all required documentation and reports due from the Contractor and necessary adjustments thereto have been approved by the Agency.

50. Renegotiations of Modifications:

Modifications of the provisions of this contract shall be valid only when they have been reduced to writing and duly signed by both parties. The rate of payment and the total dollar amount may be adjusted retroactively to reflect price level increases and changes in the rate of payment when these have been established through the appropriations process and subsequently identified in the Agency's operating budget.

51. Suspension of Work:

The Agency may, in its sole discretion, suspend any or all activities under the contract or purchase order, at any time, when in the interest of the State to do so. The Agency shall provide the Contractor written notice outlining the particulars of suspension. Within ninety (90) days, or any longer period agreed to by the Contractor, the Agency shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume, or (2) terminate the contract or purchase order. Suspension of work shall not entitle the Contractor to any additional compensation.

53.1 Termination for Convenience. The Agency, by written notice to the Contractor, may terminate this contract in whole or in part when the Agency determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

The Agency may terminate this contract if the Contractor fails to: (1) deliver the product within the time specified in the contract or any extension, (2) maintain adequate progress, thus endangering performance of the contract, (3) honor any term of the contract, or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. Except for defaults of Subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from events completely beyond the control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a Subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Contractor and the Subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of the Agency. The rights and remedies of the Agency in this clause are in addition to any other rights and remedies provided by law or under the contract.

53. Electronic Records and Signature:

The Agency authorizes, but does not require, the Contractor to create and retain electronic records and to use electronic signatures to conduct transactions necessary to carry out the terms of this contract. INSTRUCTIONS FOR THE CIVIL RIGHTS COMPLIANCE CHECKLIST

1. Describe the geographic service area such as a district, county, city, or other locality. If the program/facility serves a specific target population such as adolescents, describe the target population. Also, define the type of service provided.
2. Enter the percent of the population served by race, sex, disability, and over the age of 40. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Population statistics can be obtained from local chambers of commerce, libraries, or any publication from the 1980 Census containing Florida population statistics. Include the source of your population statistics. (“Other” races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)
3. Enter the total number of full-time staff and their percent by race, sex, disability, and over the age of 40. Include the effective date of your summary.
4. Enter the total number of clients who are enrolled, registered or currently served by the program or facility, and list their percent by race, sex, disability, and over the age of 40. Include the date that enrollment was counted.
 - a. Where there is a significant variation between the race, sex, or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons.
5. Enter the total number of advisory board members and their percent by race, sex, disability, and over the age of 40. If there is no advisory or governing board, leave this section blank.
6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR Part 80. This is usually a standard part of the contract language for DOEA Recipients and their Sub-grantees. 45 CFR § 80.4(a).
7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?
8. Do eligibility requirements unlawfully exclude persons in protected groups from the provision of services or employment? Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment. 45 CFR § 80.3(a) and 45 CFR § 80.1.
9. Participants or clients must be provided services such as medical, nursing, and dental care, laboratory services, physical and recreational therapies, counseling, and social services without regard to race, sex, color, national origin, religion, age, or disability. Courtesy titles, appointment scheduling, and accuracy of record keeping must be applied uniformly and without regard to race, sex, color, national origin, religion, age, or disability. Entrances, waiting rooms, reception areas, restrooms, and other facilities must also be equally available to all clients. 45 CFR § 80.3(b).
10. For in-patient services, residents must be assigned to rooms, wards, etc., without regard to race, color, national origin, or disability. Also, residents must not be asked whether they are willing to share accommodations with persons of a different race, color, national origin, or disability. 45 CFR § 80.3(a).
11. The program/facility and all services must be accessible to participants and applicants, including those persons who may not speak English. In geographic areas where a significant population of non-English speaking people live, program accessibility may include the employment of bilingual staff. In other areas, it is sufficient to have a policy or plan for service, such as a current list of names and telephone numbers of bilingual individuals who will assist in the provision of services. 45 CFR § 80.3(a).
12. Programs/facilities must make information regarding the nondiscriminatory provisions of Title VI available to their participants, beneficiaries, or any other interested parties. 45 CFR § 80.6(d). This should include information on their right to file a complaint of discrimination with either the Agency or the U.S. Department of Health and Human Services. The information may be supplied verbally or in writing to every individual or may be supplied through the use of an equal opportunity policy poster displayed in a public area of the facility.

- 13.** Report number of discrimination complaints filed against the program/facility. Indicate the basis (e.g. race, color, creed, sex, age, national origin, disability, and/or retaliation) and the issues involved (e.g. services or employment, placement, termination, etc.). Indicate the civil rights law or policy alleged to have been violated along with the name and address of the local, state, or federal agency with whom the complaint has been filed. Indicate the current status of the complaint (e.g. settled, no reasonable cause found, failure to conciliate, failure to cooperate, under review, etc.).
- 14.** The program/facility must be physically accessible to mobility, hearing, and sight-impaired individuals. Physical accessibility includes designated parking areas, curb cuts or level approaches, ramps, and adequate widths to entrances. The lobby, public telephone, restroom facilities, water fountains, and information and admissions offices should be accessible. Door widths and traffic areas of administrative offices, cafeterias, restrooms, recreation areas, counters, and serving lines should be observed for accessibility. Elevators should be observed for door width and Braille or raised numbers. Switches and controls for light, heat, ventilation, fire alarms, and other essentials should be installed at an appropriate height for mobility impaired individuals.
- 15.** Section 504 of the Rehabilitation Act of 1973 requires that a recipient of federal financial assistance conduct a self-evaluation to identify any accessibility barriers. Self-evaluation is a four-step process:
 - a. Evaluate, with the assistance of disabled individual(s)/organization(s), current policies and practices that do not or may not comply with Section 504;
 - b. Modify policies and practices that do not meet Section 504 requirements;
 - c. Take remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices; and
 - d. Maintain self-evaluation on file, including a list of the interested persons consulted, a description of areas examined, and any problems identified, and a description of any modifications made and of any remedial steps taken 45 CFR § 84.6. (This checklist may be used to satisfy this requirement if these four steps have been followed).
- 16.** Programs or facilities that employ 15 or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by Part 84 of Title 45, CFR 45 CFR § 84.7(b).
- 17.** Programs or facilities that employ 15 or more persons shall designate at least one person to coordinate its efforts to comply with Part 84 of Title 45, CFR. 45 CFR § 84.7(a).
- 18.** Programs or facilities that employ 15 or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees that the program/facility does not discriminate on the basis of handicap in violation of Section 504 and Part 84 of Title 45, CFR. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in publications of the programs or facilities, and distribution of memoranda or other written communications. 45 CFR § 84.8(a).
- 19.** Programs or facilities that employ 15 or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills where necessary to afford such persons an equal opportunity to benefit from the service in question. Auxiliary aids may include, but are not limited to, brailled and taped materials, interpreters, and other aids for persons with impaired hearing or vision. 45 CFR § 84.52(d).
- 20.** Programs or facilities with 50 or more employees and \$50,000.00 in federal contracts must develop, implement, and maintain a written affirmative action compliance program in accordance with Executive Order 11246, 41 CFR Part 60 and Title VI of the Civil Rights Act of 1964, as amended.

1. Designated Memory Disorder Clinic (MDC) staff shall subscribe to the Department of Elder Affairs Silver Alert ListServ by entering their email address at <http://lists.elderaffairs.org/listmanager/listinfo/silveralert>. By subscribing to receive Silver Alert notifications, MDCs are automatically notified via email whenever a Silver Alert is issued.
2. When notification of a Silver Alert is received by the MDC, each Clinic Coordinator or designee reviews the information to determine:
 - a) The county the endangered person is missing from, and
 - b) The law enforcement agency that is reporting the Silver Alert. (The MDC that provides services in the county of the reporting law enforcement agency is responsible for following up on all Silver Alerts in that county.)
3. The MDC or designee contacts the reporting law enforcement agency to obtain the caregiver/contact person's name, phone number and address to enable the MDC coordinator or designee to follow up and assist the family with information and resources. The MDC Coordinator or designee completes the upper portion of the referral form (Attachment XVII) including the caregiver/contact person information.

If it is determined that the endangered person resides in another county, then the MDC coordinator or designee will contact the MDC serving the county of residence and send the referral form within one to three (1-3) business days.

4. The MDC Coordinator or designee in the county of residence will contact the caregiver/contact person in a timely manner [upon receipt of contact information from law enforcement or within three (3) business days.] This activity is reported under number 6, "phone information/support/counseling," on the MDC Quarterly Report form (Attachment X).

(Note: If the endangered person has been recovered at the time of this contact, the MDC Coordinator will proceed with steps 1 and 2 as indicated below under "Upon Recovery of Endangered Person.")

Upon Recovery of Endangered Person

The MDC shall contact the caregiver/contact person:

1. MDC Coordinator or designee shall assess the situation and provide Alzheimer's disease/dementia information and referrals as needed. The MDC Coordinator or designee shall offer to make a referral to the Aging and Disability Resource Center (ADRC).
2. If the caregiver/contact person consents to the ADRC referral, then the MDC Coordinator or designee shall send the Silver Alert Services Referral Form (Attachment XVII) to the ADRC serving the county of residence and inform the caregiver/contact person that a representative from the ADRC will contact them. This activity shall be reported under number 4, "Referrals," on the MDC Quarterly Report form (Attachment X).

If the MDC makes a referral to the ADRC:

1. ADRC initiates contact with the caregiver.
2. ADRC provides information regarding community resources and makes referrals as appropriate for caregiver and endangered person. The ADRC may also, screen the endangered person for services.
3. Within fourteen (14) business days, the ADRC completes the Silver Alert Services Referral Form and sends a copy back to the MDC noting all services and referrals provided and/or arranged.
4. The MDC retains the Silver Alert Services Referral Form.

Compilation of Data

Each MDC will track Silver Alerts in the designated service areas to ensure that follow-up has been completed and disposition noted after the endangered person is returned home.

A copy of Silver Alert Referral Form, regardless of outcome, shall be emailed to the AGENCY Contract Manager at memorydisorderclinic@elderaffairs.org
